

EVERYONE GETS A GIFT

8 Unique Wedding Party Gift Ideas for all of your VIPs, from kids to grown-ups!

Your wedding party has put in some serious work preparing for your nuptials, so why not show them some love with thoughtful wedding party gifts? From hosting the shower to guarding the rings, they've all helped you have the day of your dreams and show you how much you mean to them. Now, it's time to return the favour with a carefully chosen present.

Here, we've rounded up gift ideas for everyone in your wedding party, from the family and friends serving as your bridesmaids or groomsmen to the kids walking down the aisle as your flower girl and ring bearer.

FOR THE FRIENDS IN YOUR WEDDING PARTY:

1. Mimosa Sugar Cubes: Some of the most popular wedding party gifts are alcohol-related, so we had to start with this unique idea. Give each attendant a bottle of bubbly paired with a box of sugar cubes. They won't just sweeten their drink, though. They'll infuse the Champagne with flavour for instant Mimosas or Bellinis. Choose a trio of orange, grapefruit, lemon, or strawberry, raspberry and peach cubes!

2. Custom Engraved Hip Flask: If you're looking for gifts for bridesmaids or groomsmen that like their spirits neat, shop for a sleek hip flask. It can be custom engraved with their monogram, name, wedding title or a funny phrase like "great minds drink alike" or in our case, engrave the Blame Her Ranch brand. Just make sure to fill the flask with the drink of your choice or the tequila you bring to the ranch beforehand, so they can have a celebratory sip before the day begins!

3. Get Ready Robe: If any of your attendants are getting ready in the bridal suite with you, they're going to want a cosy fit to wear. A bridesmaid robe, especially one with romantic ruffles, will be a welcome wedding party gift. You can even have it embroidered with their name, wedding role, or our BHR logo on the back!

FOR THE KIDS IN YOUR WEDDING PARTY:

1. Flower Girl and Ring Bearer Shirts: The kids in your wedding party can wear fun shirts with designs like "flower girl" and "ring bearer" embroidered on the front. No matter how old the flower girl or ring bearer are, they can have their own swag. You can also design fun sayings like "petal patrol" and "ring security". Imagine how cute the pictures will be!

2. A Custom Night Light: The night light is as useful as it is adorable. It'll look so sweet in your flower girl or ring bearer's bedroom and help them sleep if they're scared of the dark. You can

decorate them with a moon and stars around their name! How cute is this?

FOR THE FAMILY IN YOUR WEDDING PARTY:

1. Custom Illustration: One of the best wedding party gifts (in our opinion) is a custom illustration from the big day. You can have an illustration that shows the bride with her maid of honour or mother that can be personalised with a heartfelt note like "Thank you for standing by my side today and always." A keepsake that they can have forever!

2. Wedding Relationship CuffLinks: Something for your family member's suits is another great wedding party gift idea. Stainless steel cufflinks can be customised for your brother, dad, stepdad or grandpa. You can personalise it with initials or phrases like, "forever your best friend" or "thank you for being part of my special day". This wedding party gift for your family will be cherished for years to come!

3. Framed Cowhide with BHR brand: Only at BHR can the couple prepare their own gift. We offer a framed 12"x16" cowhide that is customised with the couple's name and the date of their wedding. What makes it extra special is we provide a hot real branding iron so the couple actually brands the BHR logo onto the framed cowhide in the presence of the recipient.
